

# Short-term stay

The Aspens Living Center's Respite Program can accommodate temporary and short-term stays. You will enjoy a private, furnished apartment with well-appointed amenities and a full range of individualized services.

Our team of well-trained, respectful and friendly staff are here to serve you. Regardless if the visit is after a surgery, during an illness or when the caregiver just needs time off, your loved one will benefit from our high quality nursing and personal care support, social and recreational programs, and hospitality services including housekeeping, laundry and meals.
